From Temple Meads Station/City Centre

Our offices are at 23 Berkeley Square in the Clifton area of the city. A taxi from the rail station will take approximately 10 minutes.

From Bristol Airport

A taxi from the airport will take 25- 40 minutes depending on traffic volume.

From the North (M5 – Junction 17)

1. Take Exit 17 from the M5. Follow the A4018 towards Clifton and the City Centre for approximately 4 miles. After ascending Westbury Rd, continue straight over next roundabout and across the Downs (green park) to the next roundabout – about half a mile.
2. Go straight on at the roundabout and descend Blackboy Hill. Continue down Whiteladies Road for approximately 1.5 miles until you reach a roundabout. Go straight over (with Habitat on your left) and continue through the traffic lights. The Triangle is on your right. Enter the far right hand lane, bear to the right and go straight over at the traffic lights, leading to Berkeley Square. Turn left and Edgcumbe's office at number 23 is on your left.

From the South (M5 – Junction 19)

1. Leave the motorway at junction 19 and head towards Bristol on the A369. As you approach Bristol, follow the A3129 to Clifton, turning left towards the Clifton Suspension Bridge (toll - 20p) - about 4.5 miles.
2. After crossing the Bridge, continue straight on to the roundabout, then turn right into Clifton Down Road, followed by the third left into Merchants Road. Continue straight into Queen's Road until you reach a double mini roundabout.
3. Take the second exit at both roundabouts, continuing down Queen's Road, leading to a large roundabout opposite Habitat. Take the third exit and go through the traffic lights, on your right is The Triangle. Bear to the right and at the next set of traffic lights go straight over, leading to Berkeley Square. Turn left and Edgcumbe's office at number 23 is on your left.

From the East (M4)

1. Take Exit 19 from the M4, and follow the M32 into the City Centre.
2. At the end of the M32, bear right, and follow the flow of traffic into Bond St., and the St. James Barton roundabout. Take the second exit from the roundabout, into Marlborough St., past the Bristol Royal Infirmary on your right, and up the hill into Park Row.
3. Continue straight on over the traffic lights, where the road joins Park Street, with Bristol University on your right. Take the next turning on your left leading into Berkeley Square. Turn left and Edgcumbe's office at number 23 is on your left.

Parking

Parking is available on a meter for up to two hours in Berkeley Square. If your visit is likely to be longer than this, parking is also available at West End car park.

If you are approaching from the M5 instead of going straight over the traffic lights at The Triangle, turn right, and then take the second turning on your left into Byron Place. The fly over will lead you into the car park.

If you are approaching from the M4, instead of turning left off Park Street into Berkeley Square, continue straight on over two sets of traffic lights, and then take the second turning on your left into Byron Place. The flyover will lead you into the car park.
